

Dear Members of Trinity,

A special congregational meeting was held on Sunday May 4th. A quorum of members voted on two items: a new council member and the remodel of the Gruver Room.

We are happy to share that Carolyn Hazlett was voted in as our newest Church Council Member and she will serve a three year term. Congratulations Carolyn!

Second, we are excited to share that a remodel and expansion of the Gruver Room was voted in favor of with 43 votes. Three yea votes were cast for just the remodel and 0 votes were cast to leave the Gruver room as is.

The estimated cost of the remodel and expansion is \$22,000. This is an incredible bargain as much of the labor will be donated by members of the Congregation and/or through companies such as D.O.E. Plumbing. Construction is slated to begin sometime this fall. If you have not seen the Gruver Room remodel pictures, be sure to check them out on our website homepage @ <http://www.telclaramie.com/>

***The Church Council and the Property Committee are asking all members of Trinity to think about a financial gift, in addition to your general offering, you could pledge to this project over the next nine months. We are asking that all pledge sheets be returned to the Church office by May 31st.***

The Church Council and Property Committee have also worked with our local bank, US Bank, and have a couple of options available to us to cash flow the project as pledges come in and/or if additional funds are needed beyond available Church funds and pledges received.

Should pledges exceed the amount of funding needed for the remodel, the Church Council and Property Committee will share this information with you and seek your feedback for possible property improvement options.

We would like to sincerely thank the members of the Property Committee. They held numerous meetings, worked with the architect to develop plans, and spent many hours seeking quotes from vendors and to identify talent from within the Congregation to assist with the project.

Finally, thank you members of Trinity for your vision and passion as we embark upon this most exciting adventure!

Your 2018 Church Council
